ORGANISATIONAL DETAILS

Meeting point

The sole meeting point for the guided tours of the heap is 'Hexentanzplatz' outside of the heap fence. Walking or driving onto the heap lands unaccompanied by an authorised guide or residue heap supervisor is not allowed.

Cancellation due to bad weather

Except during storms, the guided tours take place in all weathers. For safety reasons, if stormy weather starts to approach, the tour will be aborted at once. In the event of heavy rain and/or very strong winds, the on-duty guide and on-duty residue heap supervisor will decide on site whether to cancel due to the weather. In this case, no charge will be made for the visit. Admission tickets already paid for will be reimbursed.

Cancellation of guided tours of the heap

Please appreciate that If you fail to cancel a tour that you have booked before the cancellation period has expired, you will incur costs due to our having booked a guide for your visit and made other advance organisational arrangements.

Visitor cancellation

Visitors can cancel a booked tour for free up until 12.30 on the Friday before it is scheduled to take place by ringing the Werra Kalibergbau Museum. If you stay away without cancellation as a visitor to the heap tour you have booked, the admission price will not be refunded.

Rules for delays

All tours start on time: Saturdays at 12:30 and 15:00 and Sundays at 10:00 and 12:30.

In the case of persons who arrive too late at the Hexentanzplatz, the entitlement to the guided tour expires.
